This is a transcript of the "DECLARATION OF OWNERSHIP" document lodged by Dennis M. Hope with the United Nations General Assembly, the United States of America government and the government of what was then know as the USSR - the United Soviet Socialist Republic. This document was lodged on November 22nd 1980 within the framework of the Homestead Act of 1862. Since the date of the signing of this document, November 22nd has become known as the Lunar day of Independence.

This is to inform the sovereign planet of Earth, that, Dennis M. Hope, is now and shall ever be known as, "THE OMNIPITANT RULER OF THE LIGHTED LUNARSURFACE." Mr. Hope will hereinafter, also have the exalted title of "THE HEAD CHEESE." Any and all further transactions in regard to, Real Estate planning, development, and further exploration of the lighted lunar surface will be done at the advice and consent of, "THE HEAD CHEESE"

All existing mineral, water, oil, and liquid rights will henceforth remain with, "THE HEAD CHEESE." until such time as he declares differently. "THE HEAD CHEESE." will have total governmental say as to tenants and prospective tenants and governmental entities that wish to negotiate any involvement with the Lighted Lunar Surface.

I, "THE OMNIPITANT RULER OF THE LIGHTED LUNAR SURFACE. (a.k.a.. "THE HEAD CHEESE") on this 22nd day of November 1980, do hereby inform the world that the ownership of the Moon, of Earth, is hereby claimed by me, Dennis M. Hope. Said property shall remain in my possession until such time as I declare differently."

Let it also be known to all mankind that I subsequently claim ownership of the remaining known eight planets and their respective moons from this day forward. As owner I hold all rights over these properties without limitation. The planets claimed are known to mankind as: MERCURY, VENUS, MARS, JUPITER, SATURN, URANUS, NEPTUNE and PLUTO respectively.

It is further declared that all known rules and laws pertaining to homestead acts as known on the planet, Earth, are hereby declared invalid on the above listed planets and moons.

I, Dennis M. Hope, do hereby make these claims with all the God given rights as my forefathers claimed the property known to all mankind as, Earth. Accept my sincerest desires to cooperate with all foreign sovereignties and their representatives and trust I that I will offer all humanity to share in this tremendous adventure.

Signed Dennis M. Hope - "THE HEAD CHEESE"

November 22. 1980
